1. A rolling-mill installation has remained packed in its original crates, which arrived in 200 railway cars, at Diósgyőr, for the last two or three years. It has not been installed because of the lack of money. 25X1
2. A few weeks ago, Diósgyőr received an order from Budapest to inspect the crates and make good any faults. The German labels were then to be replaced by Soviet ones. This work is to be completed by 1 October 1955, and as it cannot all be done at Diósgyőr, half the crates have been sent to Ozd. 25X1
